

Midweight Designer

Creative
&
Commercial

Full Time

3+ years experience

Salary dependent on experience

We are on the hunt for a brilliant designer to join our creative team in Camden. You'll be full of ideas, have a can-do attitude and be able to bring fun to even the busiest of days. While your creative skills will do the talking, you'll also be a strong verbal and written communicator.

Creative & Commercial is a branding and advertising agency with close to twenty years' experience. We work collaboratively with our clients to create, build and develop brands. Implementing the very best strategic and creative solutions to help them grow and prosper.

Creative & Commercial prides itself on delivering outstanding creative work underpinned by thoughtful and insightful strategy.

Reporting to the Managing Director, your tasks will include, but won't be limited to:

- Producing compelling ideas for campaigns and advertising
- Creative artworking
- Concept visualisation and scamps
- Typesetting
- Photo retouching
- Desk research
- Assisting colleagues in the day-to-day running of the design department

Nice-to-haves:

- Knowledge of the charity and not-for-profit sectors
- Some experience with digital/web design
- An affection and flair for the written word
- Skill and interest in illustration, calligraphy and other traditional art techniques
- Exposure to animation/moving image or film processes

The essentials:

- An independent worker who is also able to collaborate and work with a team to achieve the best results for the client
- An excellent problem-solver; no challenge is too great for you
- Motivated and hard-working with a positive attitude
- Quick and eager to learn, and not afraid to ask questions
- An eye for detail, but not hung-up on the minutiae
- Excellent verbal and written communicator
- Able to think on your feet, but also able to swim when thrown in the deep end
- Able to take direction, but confident enough to run with your own ideas
- Able to give direction in a clear and confident manner

Requirements:

- Have completed a degree-level course, with a focus on graphic design/communication or advertising
- A flair for typography and amazing with layout
- Be advanced and confident using Adobe Creative suite, specifically InDesign, Illustrator and Photoshop
- Be comfortable in a MacOS environment
- Have at least 3+ years' industry experience
- Must be eligible to work in the UK

If this sounds like the opportunity for you, please send your CV, folio (max 8mb) and a covering letter to info@creativeandcommercial.co.uk with 'Midweight Designer' in the subject line.

We will only be able to contact successful applicants. Good luck!
