Salt & vinegar, rhubarb & custard.... you and us? Could you be our perfect match? A rare opportunity has come up at C&C and we are recruiting for an exceptional experienced designer to lead our creative team at our agency in Primrose Hill. You'll be full of ideas, have a can-do attitude and be able to bring positivity to even the busiest of days. While your creative skills will do most of the talking, you'll also be a strong verbal and written communicator, happy to present to clients at a senior level and equally at ease leading a team of junior/midweight colleagues.. You should be comfortable designing across all channels - and always looking out for the next big thing.

Creative & Commercial is a branding and advertising agency with over twenty years' experience. We work collaboratively with our clients to create, build and develop brands. Implementing the very best strategic and creative solutions to help them grow and prosper.

Creative & Commercial prides itself on delivering outstanding creative work underpinned by thoughtful and insightful strategy.

Reporting to the Managing Director, your tasks will include, but won't be limited to:

- Setting the tone for the creative direction of the agency
- Managing a team of junior and midweight designers
- Managing additional external / freelance support when required
- Producing compelling ideas for campaigns and advertising
- Concept visualisation and scamps
- Creative artworking
- Typesetting

We've got a checklist. Do you tick our boxes?

- A talented and creative designer - a totally 'safe pair of hands'
- A people-person with great leadership skills
- A manager who can work out how to achieve the best from their team
- An excellent problem-solver; no challenge is too great for you
- Motivated and hard-working with a positive attitude
- An eye for detail yet always able to see the bigger picture
- Excellent verbal and written communicator
- Experience within the charity/non-profit sector

Requirements:

- Have completed a degree-level course, with a focus on graphic design/communication or advertising
- Experience of managing junior colleagues
- Have a keen interest in design trends across all channels
- A flair for typography and amazing with layout
- Be advanced and confident using Adobe Creative suite, specifically InDesign, Illustrator and Photoshop
- Be comfortable in a MacOS environment
- Have 7+ years' industry experience
- Must be eligible to work in the UK

If this sounds like the opportunity for you, please send your CV, examples of your work and covering letter to work@creativeandcommercial.co.uk with 'Senior Designer' in the subject line.

We will only be able to contact successful applicants. Good luck!
